## ANCHORS AWEIGH!

The Anchor Club is an organization with the following purposes, as stated in the Anchor Hand Book:

"\* \* \* to further the annual Astoria Regatta, whether it be by sponsoring social functions or projects recommended by the Regatta Association; and to create and perpetuate a friendly, cooperative spirit among women who are interested in furthering the Regatta activities."

Meetings are held on the first and third Monday of each month at 8:00 o'clock p.m., in the Flag Room of the Astor Library. Often there is an added feature such as a film or speaker. If you cannot attend, contact the Skipper or Yeoman to be excused.

The Anchor Club is a non-profit organization. In addition to our participation in Regatta activities, we are this year striving to promote more community good will. We have chosen a project and monetary goal for a worthy and needful group. You, as an Anchor member, will be called upon to serve on various fund raising projects throughout the year. We combine work with fun, and we are sure you will enjoy participating and become acquainted with all of our members.

One fund raising event we sponsor is a Bingo Party, usually held in the Spring. The entire Anchor Club splits up into different committees and works toward a successful Bingo Party. We also have other money making events, such as a Christmas Auction, and fun events such as the Skipper's Banquet (which honors our out-going Skipper) and our annual Christmas Party, usually with husbands as guests of the Anchor Club.

Two minor committees include the Coffee Committee and the Anchor Log Committee. The Coffee Committee consists of three members and we have a different committee for each meeting. You are usually put on this committee around your birthday. The Anchor Log is a monthly newsletter put out by three members. You will be on the Log approximately once every two years.

The Anchor Club's colors are blue and white. The official uniform is a white skirt or dress, plain necked top, with a blue blazer. The Club voted to accept slacks (white) as a part of their uniform at functions where Anchors are not directly in charge, such as the boat races and other water events, etc.

The Anchor Club is a busy organization, combining work with fun. You will find your time well spent and will have the opportunity to work with other women you might ordinarily never meet.

If you have any questions, please ask any Anchor. We sincerely hope we will have the pleasure of you as a member of Anchors!

Had 50th's Anniversary party for my folks - brother came from Toledo, Ohio, uncle came from British Columbia and other uncles and aunts came from Seattle - good party.

Marlene Mestrich: Daughter Monica just completed her internship at Meier & Frank - thoroughly enjoyed it and it was a great learning experience; now its back to the books at OSU for winter term.

Terri Coulombe: We had a wonderful first Christmas with Tony. Lots of wrapping, food and relatives. Hope everyone has a Happy New Year.

MEMBERS' NEWS:

Marge Backlin - I'm typing this log, so please excuse any errors....

Colleen Hensley - It was nice to have Susan and the family home for the holidays. Colleen thought she was vacationing after the Hickory Farms store closed after Christmas but was wrong...she's working part time at Reed & Grimbergs.

Karen Reintzell - wants everyone to put their thinking caps on.... we need a money making project for the Special Activity.

Betty Jo Heiner - Ways & Means is open for suggestions or ideas for this year.

Shelby Donithorne - She's still planning her trip to Texas in April.

Betty Farmer - has a 2 bedroom apartment for rent in Warrenton. Anyone needing or knowing anyone that may be interested, should phone Betty.

Nancy Fluher - survived the recent high water, also she is glad her husband is back to work.

Nancy Herlin - Couldn't be reached, but heard she went ice skating with the church youth group.

Charlotte Nelson - has been busy smelt dipping, other than that, nothing exciting.

Marcie Overby - would like to sincerely extend her best wishes to Skipper Carlotta and her crew for a most successful and enjoyable 1983. Marcie and Bob were pleasantly surprized last month to have Bob's brother Carl and wife Barbara stop by for a few days. Carl has been with the Embassy in New Delhi, India and has been reassigned to Saudi Arabia for two years. Barbara commented, she wouldn't enjoy Saudi as much as some of the other countries they have been assigned to. Since women are a minority (including Americans). She will not be allowed to drive a car at anytime, must be fully clothed at all times (no shorts or sleeveless tops), even when the temperature reaches 125<sup>o</sup>, which it was when they left in December. While in Portland, they stayed with Barbara's sister, former Anchor Donna (Gohl) Yancey and husband Guy. Also, Marcie received a nice card from Jeanne and Bill Pike vacationing in warm weather at Disneyland and heading for Las Vegas. She said see you in April.

Kathy Peterson - is in the process of redoing her kitchen and unexpectedly also her bedroom. It seems a glass shelf fell of its tract and crashed into their waterbed, puncturing it. She has quit her job, so now is a lady of leisure.

Dorothy Schoen - is working everyday and hoping during spring vacation to be able to visit her grandson.

Gina Sherratt - is under the weather fighting the virus that everyone has had or has. Her husband has been in the Veteran's Hospital for 4½ weeks and still is not doing very well.

Jackie Taylor - went to Eugene the weekend of February 4th so Nelson could get his continuing education requirements. She also has been smelt dipping with Jo Green.

Evie Abrahams - watched the Super Bowl in Longview. Her husband may be going to Alaska, so she may be a widow again. When called, she was at Jackie Taylor's and it sounded as if they were really having a good time.

Marlene Taylor - is still going to Portland once a week for therapy on her hand. It is coming along just great! It now appears that her second surgery will be about the middle of March (on her other hand).

Dolores Wanger - is busy, busy babysitting and just received a new hearing aide and hopes it does the trick.

Judy Vineyard - is doing volunteer work five days a week at Gray School with 4th graders who require special help. She also is busy going to son Scott's basketball games.

Barbara Zielinski - and Tom, went to the Blazer game in Portland on the 4th of February. Good game....the Blazers beat Philadelphia. They also went to a bowling tournament in Gresham that weekend. Their water heater in their restaurant is still giving them problems, after the flooding a few weeks ago.

Faye Eastman - went to Oregon State for a workshop on February 2nd and will be going again on March 5th. She is busy getting Heidi Lammi ready for the Miss Oregon Pageant. Also, she is still doing two miles a day at the track. If anyone would like to come down... please do!!!!

Trish and Chuck Walters, congratulations on Chuck receiving the "George Award". (A very deserving person)

#### ASSOCIATES' NEWS:

Freda Englund - is looking forward to a Carribean Cruise on the Vista Fjord, February 26th through March 11th. She will be traveling with a group from Astoria and her daughter Sue from Coquille. Have a wonderful cruise, Freda....

Margaret Hill - her oldest daughter Jane married Steven Pelosion on January 22nd at Sequoia Lodge in Oakland, California. The wedding and reception both took place at the Lodge. He is the son of Mr. & Mrs. Attilio Pelosion of Hayward, California. They honeymooned at Lake Tahoe for five days (skiing). On Sunday, February 6th, they will begin driving across the country to Atlanta, Georgia, where they will live. He is a commercial photographer and will start a business there. Jane will pursue her career as a graphic designer. She had her sister Melissa Cunningham and Sue Anne Olson as her attendants.

Aune Malmberg - went to Oakland, California for five days to attend Jane Hill's wedding. She had fun and said it was a nice wedding but she hasn't done so much since she was in her 20's. They had some terrible weather (rain and wind storms), especially in Crescent City.

Gerti Rinell - she was finger printed at Gray School on the 4th of February. They had a big robbery that night before and Gertie lost \$9.00 from her room which was change for lunch money. Aune Malmberg had hid her money box, so they didn't get it. A lot of candy was missing from various rooms and even Principal Bailey's favorite (licorice) was taken.

Happy Birthday on February 3rd to Jeanie Mogenson....Still 29, Jeanie????

Two Astorians with long records of community service are serving as chaperone and escort to the 1983 Astoria Regatta court.

Court chaperone is Marlene Mestrich, an Astoria Anchor Club member for 12 years. The Anchors are a support group for the Astoria Regatta Association, a non-profit organization that sponsors the annual community celebration. Michael Foster, librarian at Astoria High School and owner of Michael's Antiques in downtown Astoria, is court escort.

Mrs. Mestrich is a member of the Columbia River Maritime Museum Auxiliary, Astoria Golf and Country Club and St. Mary's Catholic Church. She has been a chaperone for the Miss Clatsop County Scholarship Pageant and has been secretary of the parent-teachers association, second vice president of the Astoria Community Concert Association, a greeter and ambassador for visits of the cruise ship Fairsea, a volunteer worker for the first Great Columbia Crossing road run and secretary of the Astoria Area Chamber of Commerce.

Mrs. Mestrich and her husband, Chris, a native Astorian and co-owner of Chris' News, have been married 30 years. They have three children. Their daughter Carol was 1975 Regatta queen and another daughter, Monica, was a member of the 1968 junior Regatta court.

Mrs. Mestrich won the Regatta downtown window decorating contest in 1981 and 1982.

Foster is president of the Clatsop County Historical Society and the Clatsop County unit of the American Cancer Society. He is serving on the boards of directors of the Astoria Rotary Club, the Fort Clatsop Historical Association, the Astoria Area Chamber of Commerce and the New Horizon Arts Council. He is a member of a committee attempting to reconstruct the first post office in Astoria, which also was the first post office west of the Rocky Mountains.

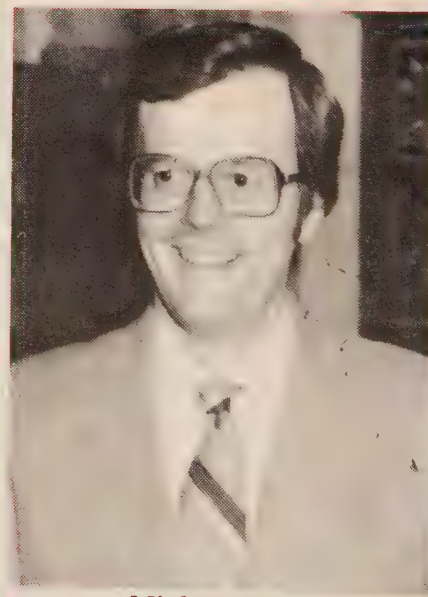

Gov. Vic Atiyeh this year appointed

Foster to the Oregon Arts Commission.

As chaperone and escort to the five-member court, Mrs. Mestrich and Foster have accompanied the princesses to a number of speaking engagements and out-of-town parades to promote Clatsop County and the Astoria Regatta.

# *They ate, drank and were merry*

THE DAILY ASTORIAN, Astoria, Oregon, Monday, March 28, 1983

Food, craft and wine booth vendors sometimes found it difficult to keep up with the crowds of customers.

## *Seafood festival draws 16,000*

They got a bellyful — all 16,000 of 'em.

Great Astoria Crab Feed and Seafood Festival visitors guzzled 387 gallons of beer, slurped up 2,600 crab dinners, sipped an undetermined amount of Pacific Northwest wine and gobbled a bunch of other seafood delicacies and tasty treats Saturday and Sunday.

Something to please every palate and interest could be found in food, beverage and craft booths and waterfront displays that brought 12,000 people Saturday and 4,000 Sunday to a warehouse at the Port of Astoria's Pier 3.

Festival participants jostled their way from booth to booth, many with a loaf of French bread protruding from a pocket, a bottle of wine under an arm and a wine glass in hand.

"This is great. What a nifty idea," said a visiting Vancouver, Wash., resident who arrived on one of the tour buses that helped contribute to the crowd Saturday.

Those unfamiliar with the various fish species they were about to swallow took time to peer at a display of iced whole fish offered by Pacific Shrimp Inc. of Warrenton.

Music wafted through the rafters from the end of the warehouse devoted to the beer garden and crab feed as the crowd-pleasing A Touch of Blue jazz ensemble from McChord Air Force Base in Tacoma, Wash., and several smaller musical groups entertained throughout the weekend. Impromptu dancing occasionally broke out in the less-crowded sections and the Air Force band's soloist, Sgt. Carlton Williams, appeared to have garnered a coastal fan club.

When they weren't busy eating, drinking and making merry, crab festival participants were learning about the work of the U.S. Coast Guard, which sent a helicopter, the cutter Resolute and a smaller boat for the crowd to tour.

The crew of the 210-foot Resolute welcomed 2,600 visitors aboard Saturday and stopped counting Sunday as would-be sailors elbowed their way through the ship. Although a sign hanging on the Resolute's bridge proclaiming its maximum capacity to be 8,000 surely was intended as a joke, it must have seemed at times to the ship's crew that there were indeed that many people sharing their ship.

Children were particularly fascinated by the helicopter from the Coast Guard's Air Station Astoria. A member of the helicopter crew said he didn't know how many people had climbed through the flying machine, but speculated it was the greatest number in any two-day period.

## *Turnout was great*

There was a line to get into the Great Astoria Crab Feed and Seafood Festival for those who arrived early Saturday and Sunday, above. But the wait was worth it, according to the 16,000 who trooped through the doors, including, at right, George, 6½-month-old Desiree and Andrea Gregory of Portland.

The Gregorlys were among the 1,600 Saturday and the 1,000 Sunday who ate a crab dinner at the Astoria Area Chamber of Commerce-sponsored event that also offered beer, wine, other foods, crafts, entertainment and displays of U.S. Coast Guard equipment.

This year's theme was "Stars and Stripes Forever" — A Tribute to the U.S. Army.

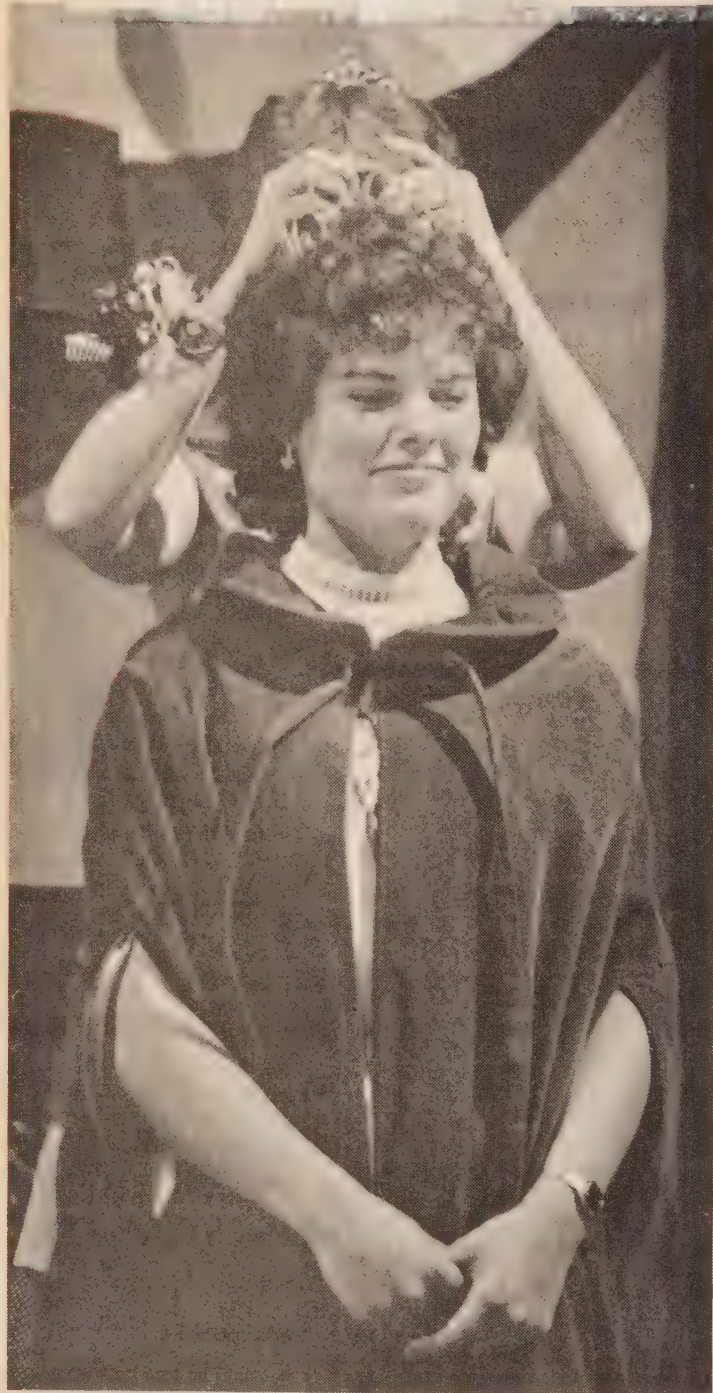

Besides the traditional crowning of a Loyalty Days queen, other activities included dances, raft races, parades and the annual blessing of the fleet memorial service.

About 25 gaily decorated boats, left, ferried passengers out on the Columbia River for the blessing of the fleet. Ilwaco clown Steve Goble, below, entertained Anna Lee Larimore, Shepard Anderson and David Anderson during the boat ride.
